

The National ATE Center for Nanotechnology Applications and Career Knowledge (NACK) Webinar Handout
November 3, 2011

Tech Intersection: Understanding the Bio & Nano Link

PRESENTER:

Dr. Christie M. Sayes, Program Manager: Nanotoxicology & Nanopharmacology, RTI International
csayes@rti.org

ADDITIONAL CONTACTS:

Dr. Ginger Rothrock, Program Manager: Emerging Technologies, RTI International, grothrock@rti.org
Bob Ehrmann, Director, Education & Outreach, rke2@psu.edu
Sue Barger, Administrative Support Assistant, sbarger@enr.psu.edu
