

# Trends in Nanoelectronics: Microchips and More

## PRESENTER:

**Tom Morrow**, Executive Vice President Global Emerging Markets and Chief Marketing Officer, SEMI  
Presenter Email: [tmorrow@semi.org](mailto:tmorrow@semi.org)

## ADDITIONAL CONTACTS:

**Robert Ehrmann**, Managing Director, NACK Network  
Email: [rehrmann@engr.psu.edu](mailto:rehrmann@engr.psu.edu)

## WEBINAR OBJECTIVES:

- What makes the iPad so successful?
  - Semiconductors
  - High Brightness LEDs
  - MEMS or Micro Machines
  - Printed Electronics
- Solar PV
- Lessons learned about high technology
